

# Sell everywhere your customers are with the Linnworks and refurbed integration.

refurbed is the go-to marketplace for refurbished and sustainable products, connecting top sellers to high-value, sustainably-minded customers.

## Why refurbed?

### Expand your reach

Tap into a loyal customer network that consistently supports sustainable purchasing in more than 13 European markets.

### Simple pricing

You have full control of prices and stock. refurbed's business model thrives on commission alone, erasing additional costs, such as subscription fees or listing fees.

### Access extensive services

Seamless access to the platform, easy to use tooling and value adding services such as state of the art API, high quality listing, fast payout and fulfillment solutions.

## Why Linnworks?

Linnworks is a Connected CommerceOps platform that gives online retailers the power to connect, automate and scale their ecommerce operations from a single source of truth. The platform gives them a bedrock of tools (listings, order/inventory / warehouse management) that are needed to drive new revenue, exceed customer expectations and streamline logistics.

Linnworks power businesses to drive growth and boost brand success.

Linnworks processes \$8bn+ GMV each year globally, and serves some of the world's biggest brands.

Linnworks connects with over 100 selling channels including global marketplaces, D2C platforms and emerging selling channels.

## Key Integration Features

- ✓ **Inventory Updates** - Linnworks can automatically send changes in stock levels to refurbished.
- ✓ **Order Download** - new and accepted refurbished orders can be automatically downloaded into Linnworks allowing you to reserve available stock and avoid overselling.
- ✓ **Location Mapping** - Orders can be downloaded and inventory updates sent from specific locations.
- ✓ **Inventory Mapping** - Existing and new refurbished listings can be linked to Linnworks inventory items for stock level and price updates.
- ✓ **Order Refunds** - Orders can be refunded on refurbished via Linnworks.
- ✓ **Order Cancellation** - Orders can be cancelled on refurbished via Linnworks. You can cancel the order when it is in the new order status regardless of whether it has been paid or unpaid.
- ✓ **Order Dispatch** - Orders on refurbished can be marked as shipped and provided with the tracking number and shipping service name via Linnworks.

Linnworks users can add the integration directly from the Linnworks channel integrations screen. For further details on Linnworks selling channels, please contact [marketplaces@linnworks.com](mailto:marketplaces@linnworks.com).

Ready. Steady. Grow.
